Relations Not Strained.

The feeling between Mr. Smith and Judge Cook has by no means reached the strained relations that existed between Daniel and the lions. Mr. Smith wanted Judge Cook to vacate the bench in the Willis trial. His honor did not see fit to do it and didn't. That was all there was to it, and after a few conferences at the rear end of "Lou Davis' grocery," the thing will continue to go as merry as a marriage bell.—Cadiz Record.

VERY HARMONIOUS

Democrats of Christian Held a Quiet Meeting.

Delegates Uninstructed But Favor Parker, McGown and Meacham.

The Democratic Convention was called to order Saturday afternoon a little after two o'clock. Chairman West was late in arriving and Committeeman Jno. B. Chilton called the meeting to order. It was organized by the election of Judge C. H. Bush Chairman and Mr. T. C. Underwood Secretary, both being elected by acclamation.

On motion of Jno. B. Chilton, the chairman named a committee of three to select thirteen other Democrats to act with them as delegates from Christian county to the state convention, and to report to the mass convention such resolutions as they should deem proper.

The chairman appointed John C. Duffy, Alex O. Dority and W. J. Chiles. When reporting the resolutions, no alternate delegates were named and, after some discussion, the resolutions, on motion of Dr. J. D. Clardy, were referred back to the committee to have names of the alternates inserted.

The following report of the convention, as amended, was adopted unanimously after which the convention adjourned:

We, your committee on resolutions beg leave to report as follows:

1st. That we the Democrats of Christian county in convention assembled endorse the Democratic state administration and the excellent record made by the last general assembly and especially approve the amendments to the election laws that we believe will result in the redemption of Christian county from Republican rule.

2nd. That the delegates to be appointed by this convention be uninstructed, except that they vote as a unit upon all questions arising in the state conventions.

3rd. That the following Democrats be appointed to cast the sixteen votes of Christian county, viz.

Delegates.

CH Bush, L H Davis, Jonett Henry, W A Radford, H M Carroll, Marlow Johnson, Chas M Meacham, W J Chiles, James West, G V Green, John B Chilton, David Smith, G E Dalton, I P Davie, J C Duffy, A O Dority.

Alternates.

F M Quarles, Dr J D Clardy, A J Casey, W W Radford, E D Jones, Junius Foster, Hunter Wood, Jr; W A Wilgus, R Y Pendleton, Dr John P Bell, A L P'Pool, Edwin Garner, W H Martin, George D Dalton, T C Underwood, W L Parker.

The delegation will support Judge Louis McGown for Chairman of the state committee and Chas. M. Meacham for district member of the Executive Committee. It will favor Parker for President.

CITY PHONES.

Home Telephone Asked for An Annual Contract.

Committee Named With Power to Act, By Unanimous Vote.

The city council met in monthly session Friday night with a full attendance. After the regular reports had been adopted, the council approved the action of Mayor Henry in employing R. H. Huggins and Jas. E. Ricketts as extra night policemen during the absence of street lights. The salaries to be \$50 a month until the electric light plant resumes business.

An application was presented by Councilman Galbreath from R. E. Cooper, president of the Home Telephone Co., asking for an exclusive contract with the city.

Chief Randle, of the fire department, appeared and on request explained that he had examined the new appliances used by the Home company and that the superiority of the service offered was beyond question. One feature was an automatic gong service, by which a gong was sounded simultaneously in every fireman's residence. Mr. Galbreath moved that a committee of three be appointed to look into the matter and make the contract, if the proposed service was found as represented. He asked that Chief Randle be a member ex-officio. The motion was carried by unanimous vote. Mayor Henry appointed as the committee with power to act Councilmen Galbreath, Twyman and Whitlow.

The contract will of course be made, as there is but one opinion in the council on the question. It will mean that the Home service will be adopted exclusively by the city and that the Cumberland will lose 15 instruments by the adoption.

The council's action in recognizing the Home Company, the only company operating under a franchise, meets the approval of the public and is but one indication of the almost unanimous sentiment in the city that will support the new company when it begins business in about two weeks.
